

Don't Stop

Ace of Base

Don't stop now
Don't stop now
Don't stop now
Don't stop now
Don't stop now
Don't stop nowDon't stop now
Don't stop now
Don't stop now
Don't stop now
Don't stop now
Doing what you're doingI've got someone who only loves me
I've got someone who'll always love me
It is you and me against the world
If someone's trying to hurt you baby
I will do my best to save us
What is good for you is good for meDon't don't stop in the name of twosome
Keep on doing what you're doing
Baby it ain't over till it's over
(Don't stop now, don't stop now)Please don't stop
Please don't stop
Doing what you're doing
Don't stop
Please don't stop
Doing what you're doingYou're my glittering price, my sparkling
Precious little diamond always
You remember I'd go where you'd go
What you want, I will fulfill it
Even if you don't fit in good
Give it up for you, the one for meDon't don't stop in the name of twosome
Keep on doing what you're doing
Baby it ain't over till it's over
(Don't stop now, don't stop now)Please don't stop
(Gimme gimme more, gimme gimme gold)
Please don't stop
Doing what you're doing
Don't stop
(Gimme gimme more, gimme gimme gold)
Please don't stop
Doing what you're doingYou gave my day a tone

A colour never seen
I can't tell you the shape of it
The texture is so new (do it)
You gave my day a tone
A colour never seen
I can't tell you the shape of it
The colour is so new I will always follow where you go
Baby it ain't over till it's over
(Don't stop now, don't stop now) Please don't stop
(Gimme gimme more, gimme gimme gold)
Please don't stop
Doing what you're doing (You color my world)
Don't stop
(Gimme gimme more, gimme gimme gold)
Please don't stop (Doing what you're doing)
Doing what you're doing Doing what you're doing
Doing what you're doing
Doing what you're doing
Doing what you're doing
