The Mauler

Mustasch

I'm the mauler, I'm a caller of the wild
Your vain attempts of resistance makes me smile
Submission is your only option now
My name will shine like fire in the sky
I'm the maulerI am a beast, I am untamed
I'll never take the chain
Suite yourself, cross the line
This dog do not bark before he bites
I'm the mauler and I'm gonna get you down
I won't give up until I'm number one
Submission is your only option now
The title of the universe will be mine
I'm the mauler
I am a beast, I am untamed
I'll never take the chain
Suite yourself, cross the line
This dog do not bark before he bitesI'm the mauler, I'm a caller of the wild
I'm the mauler and I'm gonna get you down
I'm the mauler
