

# Gimme Danger

## Iggy Pop & The Stooges

Gimme danger, little stranger  
And I feel with you at ease  
Gimme danger, little stranger  
And I feel your disease There's nothing in my dreams  
Just some ugly memories  
Kiss me like the ocean breeze Now, if you will be my lover  
I will shiver and sing  
But if you can be my master  
I will do anything There's nothing left alive  
But a pair of glassy eyes  
Raise my feelings one more time  
Find a little stranger  
Find a little stranger  
Say you're gonna feel my hand  
Say, gotta gimme danger, wild little stranger  
Honey, gonna feel my hand  
Swear, you gonna feel my hand  
Swear, you gonna feel my hand Gimme danger  
Little stranger  
Gimme danger  
Little stranger Gimme danger  
Little stranger  
Gimme danger  
Little stranger  
Gimme danger  
Gimme danger  
Gotta feel me  
Gotta feel me  
Little stranger
