I Do

Puggy

Do you like the song of what I say
Do you like the song of what I say
Do you like the song of what I say
I do I do I doWould you like to know
How we could feel
Would you like to know
How we should feel
Would you like to feel
How we could feel
I do I do I doBut time will pass along the way
And laugh at us the way
It laughs at every day
Time will pass along the day
We laugh at all the ways
We loose it all the sameWould you like to know
How this all went wrong
Would you like to know
How this all went wrong
Would you like to know
How this all went wrong
I do I do I doWould you like to know what he forget
Forget what you forgot and not regret
Forgive me if I sound a little dead
I do I do I doWe loose it all the same
We loose it all the same
We loose it all the same
We loose it all the same
