

Ain't Hookin' Me Up Enough

Mint Condition

Yeah, MC

Mint Condition hook you up

Ain't hooking me up enough

Ain't hookin' me up enough

Ain't hookin' me up

Started out so cool

Everything was all so new

Through the air passion flew

Like we were lovers

Use to be everyday a week

Now all you wanna do is sleep

Seems I'm just hearin'

One excuse after another

Wonderin' if I am the only

Feelin' deprived and feeling lonely

Or does this happen all the time

Ain't hookin' me up enough

Ain't hookin' me up enough, baby

Ain't hookin' me up enough

Ain't givin' me all your love

Ain't hookin' me up enough

Ain't hookin' me up enough, baby

Ain't hookin' me up enough

Ain't hookin me up

Started out so good

We were doing it every chance we could

Now all I have is lonely night of reminisin'

I fuss and I fight to make you see

Don't wanna be unfaithful to thee

Temptation goes strong when I don't get

No hugs and kisses no, no

I don't know what more to do

Need to get more love from you

Got to think of somethin' that'll blow you mind

Make you want it all the time

Ain't hookin' me up enough

Ain't hookin' me up enough, baby

Ain't hookin' me up enough

Ain't givin' me all your love

Ain't hookin' me up enough
Ain't hookin' me up enough, baby
Ain't hookin' me up enough
Ain't hookin' me up
Ain't hookin' me up enough
Ain't hookin' me up enough, baby
Ain't hookin' me up enough
Ain't givin' me all your love
Ain't hookin' me up enough
Ain't hookin' me up enough, baby
Ain't hookin' me up enough
Ain't hookin' me up
Ain't hookin' me up
You know we use to play on Monday
You know you like it on Tuesday
You really love it on Wednesday
We be gettin' it on on Thursday
I really love it we do it on Friday
I really like it in the night time on Saturday
We take a break on Sunday
And get ready for Monday
Grab your hands
Ain't hookin' me up
Ain't givin' me all your love
Ain't hookin' me up
