

Walk With Me Lady

Peter Liam Holcross

Walk with me, lady, I need you near me today;
You're the one that I love, girl,
by my side I beg you to stay.
This whole world has nothing I desire more than you;
So walk with me, lady, the road is narrow,
but there's room enough for two! I never said I was perfect;
I never said I was anything.
I need your love to see me through.
'Cause all those lonely nights I suffered,
without you, Without you. So walk with me, lady, the good Lord made you for me:
You're the one that I cherish,
I'm your Adam and you are my Eve.
Before I was half, now I'm whole,
I can laugh, I can sing!
So walk with me, lady, and talk with me, baby,
He's given us everything. No one said that it's easy;
and the road can be lonely, too.
Where would I be now without you?
We'll share the grace of life together,
forever.
I love you...
(Repeat first verse)
