Ultimatum

Perdition's child, I was led astray.
I had no friends, they all turned away.
Is there anyone there who can hear my cry?
I hear no one, so I'll say goodbye.
Goodbye.
My life will end, I want no more.
I cry out loud, Lord save my soul.
Can't you see the pain in my eyes, sorrowful but I don't want to die.
Chorus:
Been hurt so much, I don't want to live.
Not a shred of hope, I can never forgive. (x2)
A spider's web of twisted dreams.
The end must come or so it seems.
To take my life by any means!
Can I regain my hopes and dreams?
My dreams.
My life will end, I want no more.
I cry out loud, Lord save my soul.
Can't you see the pain in my eyes, sorrowful but I don't want to die.
(Chorus x2)
Hope enters in, Christ save my life.
I won't give in, to Satan's lies.
Now there is Someone to hear my cries,
I'm a child of God and I don't have to die.
To die! My life won't end and I'm not alone.
I praise out loud Christ is on the throne.
Gave me hope and a reason to be, once was blind but now I see.
Chorus:
God gave his Son.
So that I may live.
A ray hope, now I can forgive.
God gave his Son so that I may live,
I've got a hope and a reason to live. (x2)
To Live.
(John 3:3-16, Romans 10:9-13)
