Swing Lover

Indigo Swing

If you find you've been neglecting
That someone you call your own
And your phone calls aren't connecting
When you know she should be home
Brother you gotta stop your rambling
She can't love a rolling stone
What she really cares about
Is that she's all aloneSwing Lover every night
Swing Lover holding me tight
Swing Lover nice and polite
It took 15 hours just to kiss me goodnight
Swing Lover every day
Swing Lover take it away
Swing Lover ready to play
It took 15 hours just to say I'm okWon't you leave it uptown?
Won't you turn down the dial?
Stay at home with your baby alone
Try to be still every once in a whileSwing Lover give it to?
Swing Lover holding me close
Swing Lover don't wanna boast
It took 15 hours just to say I'm the mostOh, won't you leave it uptown?
Won't you turn down the dial?
Stay at home with your baby alone
Try to be still every once in a while
Swing Lover every night
Swing Lover holding me tight
Swing Lover don't wanna fight
It took 15 hours just to kiss me goodnight
