

# Lights, Camera, Action

## New Kids on the Block

Hey girl, do you love me?

Yes

Well, I wanna try something with you.

So, don't be shy. Are you ready?

Of course, baby

Let's go[Chorus]

You go hit the lights, I'll set up the camera

Let's get to the action

You go hit the lights, I'll set up the camera

Let's get to the actionI've been thinking about this for some time

I got a freaky temptation burnin' deep insideYou say the strip's already rolling

And the bedroom is the set

I hope you know your lines 'cause one take is all we get[Chorus]By the time this over, girl, I'm-a make you a  
star

You ready? (1,2,3,4)I'm the directing and producing

And you're the leading lady of my show

(You're the leading lady, baby)

No body double needed, 'cause I do all the stunts on my ownBelieve that you can turn your phone off

But be quiet on the set

You better know your lines 'cause one take is all we get[Chorus: x2]We gonna rewind, go one more time

And playback our love on the wide screen

Baby, don't stop until I say cut

'Cause our camera's on, keep it rolling, rolling
