

# Dweller of the Bottomless Pit

## Bestial Warlust

Lust, sweat, filth, Disgust  
Die, cry, screaming pain  
Want, take, have, receive  
Fuck the lamb of God Fuck the lamb of God! I do the fuck I want when I want  
Im not looking for peace, trying to start a war  
I get my pleasure from sex and drugs  
When I make a kill I don't give a fuck! Fuck the lamb of God! Lets die burning some pigs  
And bring the world to the end  
Im waiting for the last sun down  
I long to see it burn  
To burn everything down  
Lord of darkness laughs aloud  
As tens of thousands fall to die  
Unnatural at dark and the light Lust, sweat, filth, disgust  
Die, cry, screaming pain  
Excruciation, fulfillment need  
Want, take, have, receive  
Fuck the lamb of God  
A perishment in utter ecstasy He manipulated the earth  
A peasant who had  
Devoured the wrong shroom  
And spoke of his pitiful mind fantasy  
Im waiting for end of world  
Im waiting for the last sun down  
I long to see it burn  
To burn everything fucking down!
