Brotherhood

Bambu Station

United we stand, divided we fall
That's how it is in the brotherhood
In the brotherhood, brotherhood
Forever we'll stay together and strong
Growin' up in the brotherhood
In the brotherhood, brotherhoodSay, brothers are your best friends
By your side until the end
Always there to lend a hand
And do all they can, yeahSee, brothers stand tall
All for one and one for all
I'll do all that a brother could
To make it good in my brotherhoodUnited we stand, divided we fall
That's how it is in the brotherhood
In the brotherhood, brotherhood
Forever we'll stay together and strong
Growin' up in the brotherhood
In the brotherhood, brotherhoodI'll be there for them
Whenever they're in need
We share a common band
You see, I learned it from a brother
And I taught it to my youngerI realize that life is hard
And it has it's ups and downs
There's no need to worry 'bout a thing
'Cause I know all is good in my brotherhoodUnited we stand, divided we fall
That's how it is in the brotherhood
In the brotherhood, brotherhood
Forever we'll stay together and strong
Growin' up in the brotherhood
In the brotherhood, brotherhoodUnited we stand, divided we fall
That's how it is in the brotherhood
In the brotherhood, brotherhood
Forever we'll stay together and strong
Growin' up in the brotherhood
In the brotherhood, brotherhoodThat special bond
That holds us three as one
Makes me feel so good inside
It makes me feel so strongI'll never turn my back on them
As long as I live
And whenever I have a problem

I know to rely on my brotherhoodUnited we stand, divided we fall
That's how it is in the brotherhood
In the brotherhood, brotherhood
Forever we'll stay together and strong
Growin' up in the brotherhood
In the brotherhood, brotherhoodUnited we stand, divided we fall
That's how it is in the brotherhood
In the brotherhood, brotherhood
Forever we'll stay together and strong
Growin' up in the brotherhood
In the brotherhood, brotherhoodUnited we stand, divided we fall
That's how it is in the brotherhood
In the brotherhood, brotherhood
Forever we'll stay together and strong
Growin' up in the brotherhood
In the brotherhood, brotherhoodUnited we stand, divided we fall

In the brotherhood, brotherhood
Forever we'll stay together and strong
