

# Check It Out

## B-Legit

Advisory - the following lyrics contain explicit language:

From a nickel and dime ass nigga

To a top top top, big rigga

Check it, check it out, check it out

Check it out, check it

Check it out, check it out, check it out

Check it out, check itIt ain't cell in this town that can hold

And fuck the task force 'cuz them suckas tried to fold me, scold me

Told me if I move that they was blastin'

Got me to the station, hella questions they be askin'

Who's the big balla, who supply your crew?

Who got the big birdies in the box is it you?

I never said a word 'cuz nigga I don't do so

You fools, got some question better ask the lawyer RousseauI'm so international, all about my cashional  
18 million rational, speak mice?

What you want fool dogg tell me what you need

'Bout a couple pints of Hennisse an eighth of weed

Seems time gettin' shorter

Time to elevate from nickels, dimes up to quarters

Kurupt, B-legit, and 40 Water

Niggaz oughta, get to swervin'

Take a hit, hit the strip and then get to pervin'Squa, squab music, Mobb music

Right on a muthfucka and draw down on his ass music

The 213 the 41510

Pull a ho without a muthafuckin' tug of war

40 water your playa patna

Ever since the womb, I been a tycoone

Actin up

(Actin' up)

Actin' tough

(Actin' tough)

Actin' bad with all kinds of guns and stuffFrom a nickel and dime ass nigga

To a top hat ballin' big rigga

From a nickel and dime ass nigga  
To a top hat ballin' big rigga  
From a nickel and dime ass nigga  
To a top hat ballin' big rigga  
From a nickel and dime ass nigga  
To a top hat ballin' big riggaI got a half a ounce and a 'four to bounce  
Half a brick to flip, large amount accounts  
Life as a young nigga with loot don't count  
Life as a young nigga with loot turned out  
You know it ain't nothin' to it but to do it  
Flow like fluid, you's included  
Pursue it, subdue it and run through it  
Doin' what I do is hard to maintain my composure  
Ah man they came through with no doujaThe muthfuckin' county ain't no place for the savage  
A cock hound dank smokin' nigga 'bout his cabbage  
But if I'm ever caught I'm a ride my shit  
Divorce my broad but nigga keep my bitch  
Bury my mail in my momma backyard  
Steady poppin' chyme to correctional guards  
They fucks wit my crew 'cuz they claim that we be trouble  
Them niggaz from the V to the H-I doubleI'm tryin' to get this party tonight at this motel  
A gang a bitches there, some more on my voice mail  
Bathtub full of the ice and the fifths  
My homey K-1 rollin' blunts at the crib  
First I take a hit, strolls like a pimp  
The muthafuckin' savage with the million dollar limp  
Another big day for this timin' ass balla  
Hit the block stock in my ninety fin ImpalaLet them pipes holla  
I know I'm lookin' saucy  
19 shots sittin' next to my 40  
Snatch my knot  
Shake the spot and gets far  
Bitch, I'm a muthafuckin' rap starFrom a nickel and dime ass nigga  
To a top hat ballin' big rigga  
From a nickel and dime ass nigga  
To a top hat ballin' big rigga  
From a nickel and dime ass nigga  
To a top hat ballin' big rigga  
From a nickel and dime ass nigga  
To a top hat ballin' big riggaMe open shop with sixteenth of powder to a whole zip  
To a half ham now I'm sittin' kilograms  
Niggaz 'spect me to the upmost 'cuz I'm highly spoken 'bout  
Niggaz love me because I'm all about my paper route  
I keep my lawyers and my bail bondsmen paid shit  
For all I know they might decide to raid shit

Back in the day po-po was easily out-smarted  
But now they got some new and improved state of the artNow it's goin' down am I living in the past  
This modern day slavery takin' toll on my ass  
You either take me in or let's this timer go  
Or if you got some charges nigga let this timer know  
I told you I'm a rapper, love to entertain  
Catch me on the stage with a mic spittin' game  
Legit's my name and you can even ask your daughter  
About Kurupt, B-legit and 40 waterFrom a nickel and dime ass nigga  
To a top hat ballin' big rigga  
From a nickel and dime ass nigga  
To a top hat ballin' big rigga  
From a nickel and dime ass nigga  
To a top hat ballin' big rigga  
From a nickel and dime ass nigga  
To a top hat ballin' big riggaFrom a nickel and dime ass nigga  
(Check it)  
To a top  
(Check it out, check it out, check it out, check it)  
From a nickel and dime ass nigga  
(Check it out)  
To a top  
(Check it out, check it out, check it out, check it)  
From a nickel and dime ass nigga  
(Check it out)  
To a top  
(Check it out, check it out, check it out, check it)  
From a nickel and dime ass nigga  
(Check it out)  
To a top  
(Check it out, check it out, check it out, check it)
