

Stormy Weather

[Willie Nelson](#)

Don't know why there's no sun
Up in the sky, stormy weather
Since my gal and I ain't together
Keeps rainin' all the time Life is bare gloom and misery
Everywhere, stormy weather
Just can't get my poor self together
I'm weary all the time, all the time When she went away
The blues walked in and met me
And if she stays away
Old rocking chair will get me And all I do is pray
The Lord above will let me walk
In the sun once more
