Earth Shaker

Spirit

A. StaehelyEarth shaker, backstage maker
You've been turning your tricks too long
Earth shaker, black heart breaker
Why don't you come and hum my song ?I said ah, ah, ah
Ah, ah, ah.You can shake my earth
But don't leave your curse on me
You can shake my earth for what it's worth
But don't leave your curse on me, don't leave your curse on me.
Organ grinder, ain't hard to find her
Wink your eye and she's on the scene
Organ grinder, needs no reminder
To make it good and keep it clean.I said ah, ah, ah
...
You can shake my earth
But don't leave your curse on me
You can shake my earth for what it's worth
But don't leave your curse on me.
