Aerial

Chris Whitley

Sheets of golden velvet rain
Lubricate my naked steel again
Let the day go by far below
Million miles of sky all I knowAerial, aerial, get onAerial power glide
Preparing to see her, I got to rise
And now I'm touching myself
I'm painting my eyesLet the day go by far below
Million miles of sky all I knowAerial, aerial, get on
Aerial, aerial, get onI got friends from other systems too
They all need the same thing you doLet the day go by far below
Million miles of sky all that I know
Let the day go by all I knowAerial, aerial, get on
Aerial, [Incomprehensible], get on
Aerial
