Pusher (feat. Anna Lunoe)

Sleepy Tom

Fall in back in line, you can't believe it could happen to you.
When I tell ya you'll be fine, you shrug it off like it wasn't true.
Wipe the steam from ya windows, and hear what ya would never say.
No use, just shut your eyes.
It never goes away.
Call it anyway you want, the sun will always shine.
We can get on top of this, when you face the truth of it.
Fall the way you want, do it or you dont, fight the fight you wanna fight.
Fear is over blown, it won't break your bones, we can make it if we try.
Keep on
