Intimacy

Meja

Last night before you fell asleep
You whispered something to me
Was it just a dream?
I'm gonna listen to you close
'Cause your butterfly kiss
Felt like a ghost
What are you trying to say to me?
What are you trying to say?
Everybody searching for intimacy
Everybody hurting for intimacy
We come into this world alone
From the higher darkness
The infinite unknown
We're only here a little while
And I feel safe and warm

When I see you smile
Baby, don't move away from me
Baby, don't pull away
Everybody searching for intimacy
Everybody hurting for intimacy
Remember when you were a child
And your mama would hold you in her arms
And rock you to sleep
Now darling there's just you and I
Let's give each other everything
Baby, baby
Everybody searching for intimacy
Everybody hurting for intimacy
Baby, come and lay down next to me
'Cause everybody searching for intimacy
