

Sunshine

The Presidents Of The United States Of America

[Chorus]

You're the one, you're the sunshine.
You're the one, you're the sunshine.
Every time I see you.
Every time I see you,
Every time.
You're the one, you're the sunshine.
You're the one, you're the sunshine.

Oh...

And I want to be near you.
And I want to be where you are.
You're a steak and I spear you.
You sell beers and a sparkle star.
Nestled between a worm and rock.
Snuggle it down for sleep time.
Long, lazy afternoon, spent shearing poodles in the park.

[Chorus]

Oh...

And I want to be near you.
And I let you to dance on my feet.
If I squint I can hear you,
Playing all day long in the street.
I look for your racecar
Out on the highway,
Then you go zooming by me
In your special zooming lane.

[Chorus]

Oh...

You're the one.
