

# So Good

Zara Larsson

So good, so good, so good, so good  
You know my love is  
So good, so good, so good, so good  
You know my love is My love is more potent than anything in the cup that you're holdin'  
One little taste will have you open  
Aye, I know you want some, you want some  
Too strong, no limits  
It's not official, so take your time with it  
It go straight to your head, control your mind with it  
Aye, I know you want some, you want some You know that I'm the only one that gets you higher  
Gets you higher, babe  
And you ain't gotta worry 'cause you know I got it  
Know I got it, babe You be, stuck on it 'cause my love so good  
So you, keep comin' back to get some more  
Got you in your feelings, all emotional  
My love, my love  
So good, so good, so good, so good  
You know my love is  
So good, so good, so good, so good  
You know my love is My love, ain't running out  
Got a endless supply, there'll never be a drought  
I put you to sleep, you'll never leave the house  
Aye, I know you want, know you want some You know that I'm the only one that gets you higher  
Gets you higher, babe  
And you ain't gotta worry 'cause you know I got it  
Know I got it, babe You be, stuck on it 'cause my love so good  
So you, keep comin' back to get some more  
Got you in your feelings, all emotional  
My love, my love  
So good, so good, so good, so good  
You know my love is  
So good, so good, so good, so good  
You know my love is Girl, your love so good, girl  
Got me comin' back for seconds, what's good, girl?  
Got me clearin' out my schedule, tryna link up  
Girl you know you 'bout to get that thang beat up  
When I pull up, you know what I came for  
Dolla lay the pipe, keep some dope D for you  
Put your body straight to sleep

I got you wakin' up thankin' me You be, stuck on it 'cause my love so good  
So you, keep comin' back to get some more  
Got you in your feelings, all emotional (Ooh yeah)  
My love, my love (My love)  
So good, so good, so good, so good (So good)  
You know my love is (Yeah)  
So good, so good, so good, so good  
You know my love is
