Turn It Around

L.A. Guns

Nobody's ever gonna tell you
Nobody in the world could ever know
And even though they try and take it
There's no way I could ever let you go
Once I thought we'd last forever
Had the strength to keep it all together
With a little understanding
Could have been a better endingTurn it around Turn it around
Very slow
Turn it around Turn it around
Don't let go
Turn it around Turn it around
Turn it around
Nobody ever gonna take it
Nobody in the world could get that close
And even though they try and take it
There's no way I could ever let you go
Never gonna give up trying
But deep inside I know we both are dying
I used to think we'd last forever
Had the strength to keep it all together(Chorus)
