

# Love Ain't Gonna Wait for You

## American Juniors

When your heartbeat's taking over  
And there's nowhere you can go  
And the love that you discover  
Has finally taken hold When it feels like the beginning  
And the story will unfold  
There's a time to take your chances  
Don't be scared of the unknown, ooh 'Cause you can't fight it, don't deny it  
Love is stronger than each other  
Show me baby, what you're gonna do, do 'Cause love ain't gonna wait for you  
Don't run, don't hide  
Love ain't gonna wait for you  
It's so good, it's so right  
Love ain't gonna wait for you  
You know that it's true  
Love ain't gonna wait for you So baby, hold me, bring me closer  
Be the one I give my all  
Please don't wait for a minute longer  
Till you finally give your heart, ooh You can't hide it, don't deny it  
Love is stronger than each other  
Show me baby what you're gonna do, do 'Cause love ain't gonna wait for you  
Don't run, don't hide  
Love ain't gonna wait for you  
It's so good, it's so right  
Love ain't gonna wait for you  
You know that it's true I can't hold back what I'm thinking  
Don't you tell me that I'm dreaming  
You know that there's something you should do  
Do, do, do, do 'Cause love ain't gonna wait for you  
Don't run, don't hide  
Love ain't gonna wait for you  
It's so good, it's so right  
Love ain't gonna wait for you  
You know that it's true  
Love ain't gonna wait for you 'Cause love ain't gonna wait for you  
Don't run, don't hide  
Love ain't gonna wait for you  
It's so good, it's so right  
Love ain't gonna wait for you  
You know that it's true

Love ain't gonna wait for you 'Cause love ain't gonna wait for you

Don't run, don't hide

Love ain't gonna wait for you

It's so good, it's so right

Love ain't gonna wait for you

You know that it's true

Love ain't gonna wait for you
