Lucky Seven

Young Ginns

(Verse)
I ain't never been prison
But I probably should've gone
'Cause I broke the law 12 dozen times
But I never did get caught
I'm a different kind of daredevil
Than alot of folks I know
But I still walk the tight rope with no net down below
(Chorus)
Hey I'm lucky as a seven
I dance to my own tune
I may not get to heaven Lord
For the wicked things I do
If you want to walk in my boots
And take all that I took
It ain't as easy as it looks
(Verse)
Life ain't always simple
Some things you can't explain
If you quit that's what you get
'Cause you couldn't take a pain
I ain't never had it easy
That's just the way it is
But if circumstance opened up the chance
I'd do it all again

(Chorus)
Hey I'm lucky as a seven
I dance to my own tune
I may not get to heaven Lord
For the wicked things I do
If you want to walk in my boots
And take all that I took
It ain't as easy as it looks
(Bridge)
Ain't no place to turn around
If I scream don't come unwound
(Chorus)
Hey I'm lucky as a seven

I dance the mountain
I may not get to heaven Lord
For the wicked things I do
If you want to walk in my boots
And take all what I do
It ain't as easy as it looks
(Outro)
It ain't easy baby, no no
I tell you, oh now
He-he-heyy
