Shipwrecked

Birdie

I'm a million miles from anywhere, where can I be?
Somewhere out on the ocean
Just take a look on the horizon, what can you see?
There's nothing there for meI feel shipwrecked
I might as well be shipwrecked
I'm helpless and alone driftin' out to sea
I can't believe what you said to meEven standing on the corner of a busy city street
I still feel so lonely
Why just say you want to be with me
But the next day say you don'tI'm shipwrecked
I might as well be shipwrecked
I'm helpless and alone driftin' out to sea
I can't believe what you said to meWithout you I feel shipwrecked
But I can't let it show
A million miles away from anywhere
Ohh, ohh, ohhIs it my imagination
Or is it gettin' darker, are the waves gettin' higher
I'm a million miles from anywhere
A million miles from anything I knowYou know, that's why I'm shipwrecked
I might as well be shipwrecked
I'm helpless and alone driftin' out to sea
I can't believe what you said to meYou know, that's why I'm shipwrecked
Shipwrecked
Losing my direction
Please come and rescue meShipwrecked
Shipwrecked
Shipwrecked
