

# Human Puzzle

## Mortician

Chainsaw wielding maniac  
Beheads victim with an axe  
Grisly project will now start  
Hunt for the remaining parts  
Torso severed from the dead  
Connecting the severed head  
Arms lopped off, blood gushing red  
Chainsaw severs hips and legs  
Sewing on the body parts  
Bloody work of human art  
Human puzzle now complete  
Ghastly display of bloody meat  
Sick creation of dead flesh  
Rips off your balls, you bleed to death
