

# Up on the Bridge

## Pilot Speed

We watched the train head out, and vanish from our sight  
The light upon this bridge seems no lonelier than I  
Oh, I'm going nowhere  
Oh, I'm going nowhere  
We walked across these fields to stop at our front gate  
This house seems empty now, he asks if we will stay  
Ah, I'm going nowhere  
Oh...Slipping out the front door, ready to ignore  
All that sleeps tonight, in the lonely hours  
Oh, I'm going nowhere  
Oh, I'm going nowhere  
Oh, I'm going nowhere  
Oh, I'm going nowhere...
