

Can't Get A Read On You

Tinted Windows

Wanna get to know you but you're oh so distant
I can't get a read on you
Got so much to show you but you're so resistant
I can't get a read on you Tell me what you like
Tell me what you don't
Tell me what you might do
Tell me what you won't
Tell me what you want
Tell me what you need
Tell me won't you please tell me please
Cause I can't get a read on you. ooh ooh ooh ooh ooh ooh oh-no oh-no
ooh ooh ooh ooh ooh ooh oh-no oh-no Everything I say you got the same expression
I can't get a read on you
Trying to find a way, you give me no direction Tell me what you hate
Tell me what you love
Tell me what you fear
Tell me what you're dreaming of
Tell me what you got
Tell me what you need
Tell me won't you please tell me please
Cause I can't get a read on you
ooh ooh ooh ooh ooh ooh oh-no oh-no
ooh ooh ooh ooh ooh ooh oh-no oh-no When we're alone together
I just don't know whether
I should stay or I should go
I just don't know
Is it now or never
Or just like this forever
Should I take it fast or slow
I just don't know
whoa whoa whoa Every look you're giving me is so deceiving
I can't get a read on you
Trying to get close but you just keep receding
I can't get a read on you Tell me what you like
Tell me what you don't
Tell me what you might do
Tell me what you won't
Tell me what you want
Tell me what you need

Tell me won't you please tell me please tell me
Tell me won't you please tell me please tell me
Tell me won't you please tell me please
Cause I can't get a read on you
Can't get a read on you
