

Your Love

Tim Bowman Jr

I woke up this morning
Smile on my face
I realized that I was covered by your grace
That's when I knew, that I was truly loved
Yes I'm loved I was talking to my friends just the other day
Facein' something
But I'm gonna be ok
'Cause I realized that I am truly loved
Yes I'm loved You wrap your arms around me
You let me feel your touch
That's why I'm in love with you
I just want to say that your love
It makes me makes me want to dance
Say your love it makes me, makes me want to dance, ah yeah
Say your love it makes me, makes me want to dance, yeah See time after time, I thought I knew what love really
was
But see now I found you
And I realized
That I am truly loved And I got a feeling that what we have will stand the test of time
I know it will last
'Cause I realize that I am truly loved
I am really love You wrap your arms around me
You let me feel your touch
That's why I'm in love with you
I just want to say that your love
It makes me, makes me want to dance Say your love it makes me, makes me want to dance, ah yeah
Say your love it makes me, makes me want to dance, yeah
Say your love it makes me, makes me want to dance, ah yeah
Say your love it makes me, makes me want to dance, yeah Say your love it makes me, makes me want to dance,
ah yeah
Say your love it makes me, makes me want to dance, yeah When I think of your goodness and mercy, I can't
help but dance I can't help but dance When I think of your goodness and mercy, I can't help but dance I can't
help but dance From my hands to my feet ooh you move me
You won't lose me (?) I just want to dance
I just gotta dance I just want to dance
I just want to dance da da da da da da da da
