

# Why Did We Fire The Gun?

Waldeck

Lay down your head  
And show me if you like it  
Lend me your ears  
And read me like a book  
This conversation  
It strikes me  
No need for words  
It's all understood  
Lay down your head  
And show me if you like it  
Wondering if there is something  
We did wrong  
Nothing can stop me  
From shaking  
Why did we have to fire that gun?  
Lay down your head  
And show me if you like it  
Wondering if there is something  
We did wrong  
Nothing can stop me  
From shaking  
Why did we have to fire that gun?  
Why did we have to fire that gun?  
Oh why did we have to fire that gun?
