

# True Love's A Blessing

[Sonny James](#)

True love's a blessing true love's a wonderful blessing  
True love's a blessing wait and see  
When you found a right girl you found your priceless pearl  
True love's a blessing yes siree  
Some girls love for money some make love a game  
Some girls use their love a stepping stones to fame  
There are many kinds of love in this great big world  
But there's no whole lot of love of a true blue girl  
True love's a blessing Some girls take their love too casually they flirt  
Some girl use their love to break a heart to hurt  
There are many kinds of love to be found that's true  
But there's no love like the love I found when I found you  
True love's a blessing  
(Sing it loud) true love's a blessing  
(One more time) true love's a blessing
