

Love Remains

[Bob Fitts](#)

We are born one fine day, children of God on our way
Mama smiles daddy cries
Miracle before their eyes, they protect us 'til we're of age
Through it all love remains
Boy moves on, takes a bride, she stands faithful by his side
Tears and sweat they build a home
Raise a family of their own, they share joy they share pain
Through it all love remains
Kingdoms come and go they don't last
Before you know the future is the past
In spite of what's been lost or what's been gained
We are living proof, love remains
I don't know baby what I'd do, on this earth without you
We all live we all die but the end is not goodbye
The sun comes up, and seasons change
But through it all, love remains
An eternal burning flame
Hope lives on, and love remains
