

# Tiny Heart

[Flyleaf](#)

Tiny heart stuck inside yourself  
When will you open up for me  
I love you so and want to meet you again  
Before one of us must go Your lips touched every hand but mine  
If you choose me I'm waiting for you  
If you choose me I'm waiting for you  
Always waiting Tiny heart, you're not by yourself  
When will you recognize the beat  
Of my own heart grieving in your hand  
You crush me when you run that way Your lips touched every hand but mine  
If you choose me I'm waiting for you  
If you choose me I'm waiting for you  
Always waiting You will never know  
What you have done to me  
And you will never know  
Losing love from me  
And you will never know  
A single day alone Tiny heart stuck inside yourself  
When will you open up Your lips touched every hand but mine  
If you choose me I'm waiting for you  
If you choose me I'm waiting for you  
Always waiting
