-

Sangu dangu, a tale,  
Thick fog, thunderous storms,  
Aleng gulang, a remote desert,  
Wustai Judtai, pouring rain.

Wuji Dajudayou, Muqigai Muren,  
Moneng Bayin, pouring rain.

White pagodas, like mountain peaks,  
Those white peaks, Wuren Duxi.  
Aleng gulang, a remote desert,  
Wustai Judtai, pouring rain.

Parents' greetings and watchful gaze,  
People's happiness.  
Aleng gulang, a remote desert,  
Wustai Judtai, pouring rain.

Wuji Dajudayou, Muqigai Muren,  
Moneng Bayin, pouring rain.
