FOREVER AND EVER - Jill PhillipsForever and ever we will sing Your praises
Forever and ever we will glorify Your name
Above all names
Every name
Merciful Lord Jesus
You took the cross to free us
You conquered death and sin
In a battle we could never winYou are the first, the last
Lord of future, Lord of pastYou reign in glory as the king
You are worthy, so worthy
You reign in glory as the king
Receive the praise we singForever and ever we will sing Your praises
