When You Come Back To Me Again

Steve Lawrence

There's a ship out, on the ocean
At the mercy of the sea
It's been tossed about, lost and broken
Wandering aimlessly
and god somehow you know that ship is me
'Cause there's a lighthouse, in the harbor
Shining faithfully
Pouring its light out, across the water
For this sinking soul to see
That someone out there still believes in me
On a prayer, in a song
I hear your voice and it keeps me hanging on
Raining down, against the wind
I'm reaching out 'til we reach the circle's end
When you come back to me again
There's a moment we all come to
In our own time and our own space
Where all that we've done, we can undo
If our heart's in the right place
On a prayer, in a song
I hear your voice and it keeps me hanging on
Raining down, against the wind
I'm reaching out 'til we reach the circle's end
When you come back to me again
And again I see my yesterday's in front of me
Unfolding like a mystery
You're changing all that is and used to be
On a prayer, in a song
I hear your voice and it keeps me hanging on
Raining down, against the wind
I'm reaching out 'til we reach the circle's end
When you come back to me again
When you come back to me again
End
