

# When You Come Back To Me Again

Steve Lawrence

There's a ship out, on the ocean  
At the mercy of the sea  
It's been tossed about, lost and broken  
Wandering aimlessly  
and god somehow you know that ship is me  
'Cause there's a lighthouse, in the harbor  
Shining faithfully  
Pouring its light out, across the water  
For this sinking soul to see  
That someone out there still believes in me  
On a prayer, in a song  
I hear your voice and it keeps me hanging on  
Raining down, against the wind  
I'm reaching out 'til we reach the circle's end  
When you come back to me again  
There's a moment we all come to  
In our own time and our own space  
Where all that we've done, we can undo  
If our heart's in the right place  
On a prayer, in a song  
I hear your voice and it keeps me hanging on  
Raining down, against the wind  
I'm reaching out 'til we reach the circle's end  
When you come back to me again  
And again I see my yesterday's in front of me  
Unfolding like a mystery  
You're changing all that is and used to be  
On a prayer, in a song  
I hear your voice and it keeps me hanging on  
Raining down, against the wind  
I'm reaching out 'til we reach the circle's end  
When you come back to me again  
When you come back to me again  
End
