

Days Are Forgotten

Kasabian

Ah ah ah ah ah ah
Ah ah ah ah ah ah Hey son
I'm looking forward
You're leaning backwards
Of this I'm sure Have you had enough?
Are you feeling rough?
Does your skull hurt?
Well if it's warm 'Cause I am taking back what's mine
I am taking back the time
You may call it suicide
But I'm being born again
I'm waiting Ah
I'm waiting (ah ah ah ah ah)
Right here now, I'm waiting
For someone
Or something
To take me
To take me over Days, days are forgotten
Now it's all over
Simply forgotten
How to disappear Home bred
I've got blood lust
Feeding you bread crust
I leave no scar You say I'm old hat
A fucking dirty rat
Call me a cliché
How right you are 'Cause I am flipping bag of bones
I am righting all your wrongs
You may call it suicide
But I'm being born again
I'm waiting Ah
I'm waiting (ah ah ah ah ah)
Right here now, I'm waiting
For someone
Or something
To take me
To take me over Days, days are forgotten
Now it's all over
Simply forgotten

How to disappearDays, days are forgotten
Now it's all over
Simply forgotten
How to disappearI saw something
I get on the dark
It's the
You was at home
Chewing a monkey brainI am out here
I'm just a silhouette
You will never
Ever ever forgetDays, days are forgotten
Now it's all over
Simply forgotten
How to disappearDays, days are forgotten
Now it's all over
Simply forgotten
How to disappearI saw something
I get on the dark
It's the
You was at home
Chewing a monkey brain
