

# Dive

## The Whisper Bellows

The long awaited rains  
Have fallen hard upon the thirsty ground  
And carved their way to where  
The wild and rushing river can be found  
And like the rains  
I have been carried here to where the river flows, yeah  
My heart is racing and my knees are weak as I walk to the edge  
I know there is no turning back once my feet have left the ledge  
And in the rush I hear a voice  
That's telling me it's time to take the leap of faith  
So here I go  
I'm diving in, I'm going deep in over my head I want to be  
Caught in the rush lost in the flow in over my head I want to go  
The rivers deep the rivers wide the rivers water is alive  
So sink or swim I'm diving in  
There is a supernatural power  
In this mighty rivers flow  
It can bring the dead to life  
And it can fill an empty soul  
And give a heart the only thing  
Worth living and worth dying for, yeah  
But we will never know the awesome power of the grace of God  
Until we let ourselves get swept away into this holy flood  
So if you'll take my hand  
We'll close our eyes and count to three  
And take the leap of faith, come on let's go
