Can't Hold Us

Pentatonix

It's so hard, when people knock you down
And tell you that you're never gonna get a shot at glory
But that's when you rise to the challenge
'Cause it's your time, your moment
And nothing can stop us now.PTX, get up!
What it is, what it does, what it is, what it isn't
Looking for a better way to get up out of bed
Instead of getting on the internet and checking a new hit meFresh out thrift shop walking, little bit of humble, little bit of cautious
Somewhere between like rocky and cosby sweatergang nope nope y'all can't copy
Yup. Bad, moonwalking, this here is our party
My posse's been on broadway, ha! and we do it, our way.
Grown music, I shed my skin and put my bones into
Everything I record and yep yep yep yep I'm onTrust me. On my I-N-D-E-P-E-N-D-E-N-T 'cause ha,
Chasing dreams since we were 14
With the four track
Bussing halfway cross that city with the backpack,
Fat cat, crushingHere we go back, this is the moment
Tonight is the night, we'll fight till it's over
So we put our hands up
Like the ceiling can't hold us,
Like the ceiling can't hold usHere we go back, this is the moment
Tonight is the night, we'll fight till it's over
So we put our hands up
Like the ceiling can't hold us
Like the ceiling can't hold usNah, can I kick it? Thank you. Yeah I'm so damn grateful.
I grew up, really wanted gold fronts
But that's what you get when Texas raised you
Y'all can't stop me, go hard like I got an 808 in my heart beat
And I'm eating at the beat like you gave a little speed to a great white shark on shark weekRaise those hands, this is a party
We came here to live life like nobody was watching
I got my city right behind me, if I fall, they got me
Learn from that failure, gain humility, we keep marchingHere we go back, this is the moment
Tonight is the night, we'll fight till it's over
So we put our hands up
Like the ceiling can't hold us,
Like the ceiling can't hold usHere we go back, this is the moment
Tonight is the night, we'll fight till it's over

So we put our hands up
Like the ceiling can't hold us
Like the ceiling can't hold usPa ra rap pa pa
(Pa pa pa)

Tonight is the night, we'll fight till it's over
