I Like Cherries

Audio Two

Yo man, I love me some apples
Get out of here, pears are the move
Pears? Peaches are the move
Peaches? I like bananas (Brooklyn style)
Bananas?

[Chorus]
I like cherries cause cherries taste better
And grapes are sour, ah, I'll ask for more
Ah, I'll ask for more
I like cherries cause cherries taste better
And grapes are sour

Bust a move

Yo Milk, what kind of fruit, do you like?
I don't like bananas, I don't like peaches
I don't like fruit I bite and it screeches

[Chorus]

If a lime's to a lemon and a lemon's to a lime
Why do cherries taste better, all the time?
I don't know about that but you just shouldn't miss
Just sit back relax and yo, bust this

A philosopher once said
That life is a bowl of cherries

Ah, I'll ask for more
Ah, I'll ask for more

I like cherries cause cherries taste better
And grapes are sour

From the Audio Two
Milk D, from the Audio Two
From the Audio Two
Gizmo, Gizmo
Go for yours, go for yours, go for yours

Go for yours while I go for mine

Yo Milk, what kind of pie do you like?
I don't like those that's old and stale
With burnt up crust and fruit that's pale

[Chorus]

Brooklyn style

Yo Gizmo man, what kind of GIRLS do you like?
I like the girls that pass the test
And I like those girls that are so

[Chorus]
