

# Wild Dog

## Backyard Babies

Did you get what you were looking for  
I think you're out of line  
Or did you find what you were hiding for  
It can be dreams no more Bad dust and dangerous gals  
I gonna find my kisses in the moonlight  
Don't look for me when it's all too much  
'Cause I can do everything I want to do  
'Cause I like a dog without a bone  
I gonna move on like a rollin' stone 'Cause I'm a wild dog  
You know what I'm talkin' about  
Wild dog  
So bad wild dog  
And I'm coming over you  
Like a dog eat dog Did you find what you were looking for  
You must be out of your mind  
I didn't know what you were hiding for Bad dust and dangerous gals  
I gonna find my kisses in the moonlight  
Don't look for me when it's all too much  
'Cause I can do everything I want to do  
'Cause I like a dog without a bone  
I gonna move on like a rollin' stone 'Cause I'm a wild dog  
You know what I'm talkin' about  
Wild dog  
So bad wild dog  
And I'm coming over you  
Like a dog eat dog She looks so sweet  
She's just like a suicide  
I wanna taste you now  
Come on and do it, do it with me Like a dog without a bone  
I gonna fuckin' move on like a rollin' stone  
'Cause I like a dog without your bone  
She said, dog eat dog eat Wild dog  
You know what I'm talkin' about  
Wild dog  
So bad wild dog  
And I'm coming over you Wild dog  
Wild dog  
Wild dog  
Wild dog God damn it I'm a wild...
