

B2U (feat. Ian Everson)

Boombox Cartel

I'm so out of my way
I can see for miles and miles
And don't know what you're doing to me
'Cause I aint been around in a while
I found a way
I found a way
I found a way back to you
I found a way
I found a way
I found a way back to you
(Back to you)
Back to
Back to
Back to you
Back to you
I'm so out of my way
I can see for miles and miles
And don't know what you're doing to me
'Cause I aint been around in a while
I found a way
I found a way
I found a way back to you
I found a way
I found a way
I found a way back to you
(Back to you)
Back to
Back to
(Back to you)
(Back to you)
