

# Well of Souls

## Power Quest

[WORDS - WILLIAMS / MUSIC - WILLIAMS, SCOTT] Million voices call to me,  
there's nowhere left to run  
Souls cry out in torment,  
pain and anguish has begun  
Trapped for all eternity  
no hope of breaking free  
Calling out for vengeance,  
now they're calling out to me Will this be our true salvation ?  
Can there be a brighter day ?  
Will there be a new horizon ?  
Will this be the price we pay ? Chaos and damnation  
For the victims of the well  
Mortal life of agony,  
immortal life of hell  
A spell that can't be broken,  
see the writing on the wall  
Souls in black are silent;  
wait to hear the judgement call
