Maintain

Kerry Louise Taylor

I maintain for my frame
For my Aim
to Wipe The Pain
A clear surface window pane
i know im worth it To expain
Feeling hurt it
From then diranged
My lyrics splirt it
I rearranged

(chorus) Never Break up

Il fill your World with Light
Time To wake up World
Make every Dream in sight
To Infinity
Fly off into The Night
Yeah sent For me
To clear the Lens and make it right

The magic never ends
Stay close dont Go away
I want you with me ET
All of the way .
I can feel it in the Air
Your Taking me places i planned
Magic Land Sparks be flying
I broke it Down .
Brushed away the hurt
No need to Cry No more
For what its Worth
We came and broke the door
Brushed away the hurt
No need To cry no more
For what its worth we came and smashed the door .

Repeat chorus
