# Annie

## Elefant

Annie
The smell of the ocean on her skin
The rags of her dress blowing in the wind
A chorus of angels on the boardwalk
They know what you did in the dark
I never meant to hurt you, Annie
Leave you standing with the gun
Come and play with me, little Annie
Lose yourself, lose yourself
I lay her back on the cold sand

And wiped the blood from her hand
I fixed her hair and kissed her chest
The secrets die in her breath
'Cause I never meant to hurt you, Annie
Leave you standing with the gun
Come and play with me, little Annie
Lose yourself, lose yourself
Oh no, her hands are cold
Oh no, I played with her soul
All night again, I'm alone
