

# Annie

## Elefant

Annie

The smell of the ocean on her skin  
The rags of her dress blowing in the wind  
A chorus of angels on the boardwalk  
They know what you did in the dark  
I never meant to hurt you, Annie  
Leave you standing with the gun  
Come and play with me, little Annie  
Lose yourself, lose yourself  
I lay her back on the cold sand

And wiped the blood from her hand  
I fixed her hair and kissed her chest  
The secrets die in her breath  
'Cause I never meant to hurt you, Annie  
Leave you standing with the gun  
Come and play with me, little Annie  
Lose yourself, lose yourself  
Oh no, her hands are cold  
Oh no, I played with her soul  
All night again, I'm alone
