

September Gurls

Big Star

September gurls do so much
I was your butch and you were touched
I loved you well never mind
I've been crying all the timeDecember boys got it bad
December boys got it badSeptember gurls I don't know why
How can I deny what's inside
Even though I'll keep away
Maybe we'll love all our daysDecember boys got it bad
December boys got it badWhen I get to bed
Late at night
That's the time
She makes things right
When she makes love to meSeptember gurls do so much
I was your butch and you were touched
I loved you well never mind
I've been crying all the timeDecember boys got it bad
December boys got it bad
December boys got it bad
