

Faded

Lil' Kim

[Chorus] I got a feeling

A real good feeling

I'mma be faded

The bar is open

We just bought it

I'mma be faded

Let the Champaign p-o-o-o-ur

p-o-o-o-ur, p-o-o-o-ur

Let the Champaign p-o-o-o-ur

p-o-o-o-ur, p-o-o-o-ur

[Red Cafe] Damn I look good, Somebody take a photo

I run my his-house, You can ask Jojo

Yank fitted on, My money on Jeter

My girls all dimes, Lou Vuitton Divas

I'm fly like an overnight letter

Shorty sleep with me

Make your overnights wetter

Better I'm faded (I'm faded)

And tonight I'm gonna get wasted

See to everybody listening, if it's on I'm a get at 'em

I can say whatever I'm a tax paying citizen

Middle finger up, I aint got a conscience

I just go hard like the trio from Yonkers

Head honcho, Kush in the console

Bad boy, now they shook like Cosmo's

I'm all that, everyday all black

Got Ciroc on deck so I'm faded off that

Chorus

[Lil' Kim]

(Yo)

Bottles on me till the whole club faded

I'm in the VIP and I'm white girl wasted

I'm a rock star party like Van Halen

Phantom comes with a chauffeur so I don't valet it

Nah we celebrate pour the ros
