Whatever

Our Lady Peace

There's no holding me back
I'm not driven by fear
I'm just driven by anger
And you're under attack
Just climbing up slowly
I'm the one and only
The tease, the way you lie
The stumble in your mind
The fear, the hope inside
They hit here, hit here
But whatever you need
Ever you got
Ever you want
I'll take back again
Whatever you need
Ever you got
Ever you want
I'll take back again
There's no holding me back
I'm not driven by fear
I'm just driven by anger
And you're under attack
Just climbing up slowly
I'm the one and only
The tease, the way you lie
The stumble in your mind
The fear, the hope inside
They hit here, hit here
But whatever you need
Ever you got
Ever you want
I'll take back again
Whatever you need
Ever you got
Ever you want
I'll take back again
Though whatever you need
Ever you got
But whatever you need

Ever you got
Ever you want
I'll take back again
Whatever you need
Ever you got
Ever you want
I'll take back again
Whatever you need
Ever you got
Ever you want
I'll take back again
But whatever you need
Ever you got
Whatever you, oh, oh
Whatever you, oh, oh
Whatever you, oh, oh
Whatever you, oh, oh
