

# Anthony

## Billy Bauer Band

Anthony, Anthony

Oh, he said

He can't love me

But I think he can

Yes, I think he can

And I told him that

Just before he ran

Just before he ran

Mmm, mmm

Mmm, mmm

And he's not lookin' back

He's not lookin' back

'Cause he doesn't want

Anything I have

Or anything I am

Anthony, Anthony

Oh, he said

He can't love me

Anthony
