

Everybody's Got to Learn Sometime

[Nicola Roberts](#)

Change your heart, look around you
Change your heart, it will astound you
I need your loving oh like the sunshine Oh everybody's got to learn sometime
Everybody's got to learn sometime
Everybody's got to learn sometime Change your heart, look around you
Change your heart, it will astound you
I need your loving oh like the sunshine Everybody's got to learn sometime
Everybody's got to learn sometime
Everybody's got to learn sometime Change your heart, look around you
Change your heart, it will astound you
I need your loving oh like the sunshine Oh everybody's got to learn sometime
Everybody's got to learn sometime
Everybody's got to learn sometime
